WHO WE ARE

For over **11 years**, Liaison Home Automation LLC has served as a vital link across the USA, smoothly connecting individuals, organizations, and smart home technologies. Our primary mission is to simplify connectivity, empowering clients with an intuitive interface that seamlessly integrates all their home and office automation devices, enhancing control, convenience, and the overall user experience.

Our unwavering commitment to excellence has earned us top industry honors, including the **2019 Global Home Technology Award for Best Shading Application and the Snap One 2022 Outstanding Partner Award**. As a leader in home automation, we possess elite certifications, such as Crestron Platinum Elite, Lutron Platinum, Control4 Platinum, Savant Certified, Sony Diamond, Samsung Platinum, and LG Preferred Provider. Additionally, our CEDIA certification further reinforces our dedication to innovation and the highest industry standards.

Our advanced technology solutions transform your space into a responsive, connected environment tailored to your needs. Whether optimizing daily routines, enhancing security, or maximizing energy efficiency, we provide customized automation designed for your lifestyle.

Our skilled professionals act as your trusted technology advisors and strategic consultants, offering expert insights to develop tailored solutions that address your specific needs. Committed to excellence, we provide exceptional service that has earned industry recognition and strengthened our reputation through strong client endorsements and referrals, fostering lasting partnerships.

Our commitment goes well beyond installation; we offer comprehensive post-project support to ensure the long-term reliability and optimal performance of your systems. In the event of any defects or technical issues, our dedicated support team is readily available to provide prompt resolutions, minimizing downtime and preventing disruptions to your daily operations. Through proactive maintenance, troubleshooting assistance, and quick response times, we help you maintain seamless functionality, safeguard your investment, and ensure continued efficiency. Our goal is to provide peace of mind, knowing that expert support is just a call away whenever you need it.
